LIFE MEMBERSHIP OF SOUTH AUSTRALIAN RUGBY UNION LTD

The Life Members Nominating Committee comprises all current Life Members and two Board Directors.

The Committee is currently convened and chaired by Glen Millar OAM.

Life Member:

A Life Member is a person who has rendered distinguished service to the game of rugby union in South Australia (Clause 11 – SARU Constitution).

In contrast to the Hall of Fame, there is no formal calling process or annual quota and there are tighter selection criteria in that it is a RUSA Life Membership – the service involved has to be to RUSA rather than rugby in SA in a more general sense.

Nominations normally arise by action of a particular club or individual who believe that a person has provided the length and type of service appropriate to the award; the Committee is then convened (generally six weeks before an AGM) and a decision is taken as to whether any recommendation (a special resolution) will be put to the AGM for approval. There is no requirement for the Board to endorse any nominee for Life Membership.

RUSA members at the AGM then vote on the recommendation and any successful recipients are presented at the following Don Smith Presentation Dinner.

DEFINITIONS:

Life Member:

A person who has rendered distinguished service to the game of rugby union in South Australia (Clause 11 – Constitution). RUSA Life Membership recognises the service involved mainly to the RUSA rather than to rugby in South Australia in a more general sense.

Hall of Fame:

The Hall of Fame recognises those people who have made a most significant contribution to the game of Rugby Union in South Australia since its inception in 1932 – an outstanding overall contribution, as opposed to a specific one.

FOR ALL NOMINATIONS:

Special attention should be made to **WHY** the nominee stands out from others.

Meritorious Service

In addition to fully meeting the requirements of one of the above streams, there is an expectation for something more – meritorious service to the game of Rugby Union within South Australia and/ or to the South Australian Rugby Union.

This is understood to mean performance beyond what might otherwise be considered as the service expected of a particular role or activity.

This is a subjective criterion which will be applied differently to different people based on the context of their involvement. It may include but not be limited to a combination of the following

- Performance levels or achievements above the norm such as
 - Years of service or numbers of games significantly higher than the base criterion level;
 - Captaining of State Teams;
 - Selection for national teams or national roles/activities;
 - Winning competition wide or national performance awards.
- Achievements and contributions which enhance the image and standing of RUSA in a national context;
- Contributions to enhancing the quality of RUSA performance through other roles such as coaching, managing, selection duties, or participation in Board, Committees, Judiciary, Appeal Tribunals, administration etc.

Consequences of Life Membership

Each Life Member shall receive

- A life membership medallion;
- Placement of their name and year the honour was bestowed on an honour board designed for that purpose

Annual review of eligible persons
